

Milos Sturanovic - Web developer

Email: sturanovic.ms@gmail.com | Portfolio site: milossturanovic.com | LinkedIn: linkedin.com/in/milos-sturanovic/

Professional Summary:

Web Developer with 5+ years of experience creating responsive, user-focused websites for SaaS, e-commerce, and real estate industries. Skilled in WordPress, WooCommerce, and custom CMS solutions, with expertise in frontend (HTML, CSS, JavaScript, React) and backend (PHP, SQL). Strong background in SEO, performance optimization, and cross-functional collaboration to deliver high-quality, growth-driven digital products.

Experience:

[Agent Fire](#) - United States | Remote - Full time - *Senior Frontend developer*

JUL 2025 - PRESENT

- Delivered 50+ client website projects in one year, contributing to over \$7,000 in monthly recurring revenue for the agency through subscription-based website services.
- Strengthened client satisfaction and company reputation by creating tailored real estate website solutions that supported positive reviews, referrals, and revenue growth.
- Cut first-draft website turnaround time by 60%, reducing average completion time from ~25 hours to 10 hours through improved workflow processes.
